**Community Development Block Grant (CDBG) CARES Act**

On March 27, 2020, The Coronavirus Aid, Relief and Economic Security Act (CARES), Public Law 116-136, was signed by President Trump. The CARES Act made available supplemental Community Development Block Grant (CDBG) funding for assistance to prevent, prepare for, and respond to COVID-19. The CDBG-CV provides flexibilities for CDBG grantees to expedite the use of federal funds to help address the challenges facing our nation during this historic public health crisis.

The City of Lauderhill's second allocation of funds under the CDBG-CV Grant will be \$519,251 to be used to prevent, prepare for, and respond to COVID-19. The City of Lauderhill Grants Division will administer funding. The City must submit an amended 2019 Annual Action Plan to include the use of CDBG-CV funding.

The City of Lauderhill encourages public participation in development of the CDBG-CV Plan. To provide an opportunity for participation, the City invites interested parties to review and comment on the proposed CDBG-CV 2019 Annual Action Plan amendment.
